#### Use

Hand sanitizer for healthy skin. For use when soap and water are not available.

#### Warnings

For external use only. Flammable. Keep away from heat or flame.

Do not use

- in children less than 2 months of age.
- on open skin wounds.

When using this product keep out of eyes, ears, and mouth. In case of contact with eyes, rinse eyes thoroughly with water.

Stop use and ask a doctor if irritation or rash occurs. These may be signs of a serious condition.

Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

#### Directions

- Place enough product on hands to cover all surfaces. Rub hands together until dry.
- Supervise children under 6 years of age when using this product to avoid swallowing.

#### Other information

# PRODUCT TECHNICAL SHEET

- Store between 15-30C (59-86F). Keep away from direct lighting.
- Avoid freezing and excessive heat above 40C (104F).

## **Packaging**

IBC tanks of 1000 L, metallic drums of 200 L and PE bottles of 5 - 25 L.

## **Formula**

Recommended Isopropyl alcohol content of 75% by WHO and FDA authorities. To ensure an effective cleaning of healthy skin.

Improved formula with natural lavandin essential and glycerol for a better smell and skin moisturization.

## **INCI composition**

Isopropyl alcohol, purified water, glycerol, lavandula hybrida oil, hydroxypropylmethylcellulose, hydrogen peroxide

## **Other recommendations of use**

Keep hands hydrated and moisturized to prevent excessive dryness due to high content of isopropyl alcohol.
